

## Healthy grant raises a smile

Everything's coming up apples for SecondBite. Workers at the Kensington-based charity, including executive director Katy Barfield, storeman Peter Hobbs and operations manager Lisa Shaw (pictured), are celebrating a \$27,000 grant. SecondBite is a not-for-profit organisation that collects fresh food and delivers it to more than 70 food relief agencies across Victoria, distributing some 20 tonnes of fruit, vegetables, meat and fish every month. SecondBite will use the grant to develop a business sustainability plan to guarantee it has a healthy future.
